PRESIDENT: The motion is adopted, Senator Kime.

SENATOR KIME: I move that the bill be advanced.

PRESIDENT: All in favor say aye. Contrary say nay. The bill is advanced.

CLERK: Mr. President, I move to bracket LB 948 on E & R final. Signed Senator Murphy.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: I would ask unanimous consent to bracket the bill. I have had an amendment printed in the Journal. It's a corrective amendment and I would not want to see the bill drafting department proceed with this in the face of an amendment.

PRESIDENT: Is there an objection? Seeing none the bill is bracketed, Senator Murphy. Mr. Clerk.

CLERK: Mr. President, I move the return of LB 847 to select file for the attached specific amendments. Signed Senator Duis.

PRESIDENT: Senator Duis.

SENATOR DUIS: The reason for this particular amendment on select file is that the civil air patrol is being transferred from the military in this bill to the Department of Aeronautics. In the instance of the federal government pays the expenses of this but it sometimes takes them two or three months to repay these people who are out pocket expense and consequently they need revolving fund over there and this merely would establish \$5,000 for revolving fund for the Department of Aeronautics so they might be able to pay the pocket expense right away to the people who are good enough to go out on rescue missions and such and when the federal government pays it back to them they can put it on the revolving fund. So I would ask return of it for the amendment.

PRESIDENT: Senator Goodrich.
